- It helps cleanse us from the pollution of sin.
- It imparts strength.
- Instructs us in what we are to do.
- Provides us with a sword of victory over sin.
- It makes lives fruitful.
- It gives us Power to pray.

Hey, if you want to know how to study your Bible then go ahead and read. Begin with Prayer. Take brief notes on what you read. Read slowly one chapter and re-read to understand.
